Being Uninsured

- About 46 million people are uninsured
 - including 9 million children
 - 8 out of 10 are hardworking Americans
- 1 in 3 people who are uninsured don't fill their prescriptions

Together Rx Access

- A prescription savings program created by 10 leading pharmaceutical companies to help hardworking Americans and their families gain access to the medicines they need to take care of their health

The Together Rx Access™ Card

- FREE Prescriptions Savings Card
 - For individuals and their families who need medicines but don't have coverage
- FREE to Get and FREE to Use
- Savings are Real
 - Most cardholders save 25 to 40 percent* on brand-name prescriptions
 - Savings on a range of generic products also available

**Each cardholder's savings depend on such factors as the particular drug purchased, amount purchased, and the pharmacy where purchased. Participating companies independently set the level of savings offered and the products included in the program. These decisions are subject to change.*
